

Looking for Maximum Community Impact?

Reach for the right tool.

Monthly Sponsorships

Your company's \$5,000 investment in the Cincinnati ToolBank means that ALL charitable organizations in our community will have FREE access to over 10,000 tools throughout the entire month of the sponsorship! With over 170 different types of tools at the ToolBank, ALL local nonprofits will have the access to the right tools to better equip their volunteers and get the job done. By supporting the Cincinnati ToolBank you will not only be supporting our mission, you will be supporting the missions of all of our members and saving our charitable organizations thousands of dollars, by borrowing (instead of purchasing) tools. Now that is maximizing your investment!

Benefits for Monthly Sponsorships

Exposure: Your company is making a BIG IMPACT in our community, and we want to tell everyone about it! First, your company's logo will be displayed at every project site to let volunteers know that your company's support provided the tools that are powering the project. In addition, your logo will be highlighted on the Cincinnati ToolBank website, all tool lending receipts and in the ToolBank's annual impact report.

Internal Value: At the end of the month, you'll receive an impact report with ready-to-paste data and anecdotes for your company newsletter or intranet.

Increased Engagement: An exciting, well-planned volunteer opportunity for up to 5 of your employees at the Cincinnati ToolBank during your company's season of volunteering.

Raising Awareness for the ToolBank: Your company will be provided a full-color flyer for employee distribution to introduce ToolBank as a community resource that is available to their favorite charities and to announce your company's support of ToolBank.
