Cincinnati ToolBank Announces "Printer Blitz" in Partnership with Monti Inc.
30+ office printers will be distributed to local nonprofits between February 26 and March 2.

CINCINNATI, OH – February 15, 2018 – The Cincinnati Community ToolBank announced today that it will be hosting a "Printer Blitz" between Monday, February 26 and Friday, March 2. The ToolBank will be offering a stock of 30+ office printers and other equipment to its nonprofit member agencies with a suggested donation of $25–$100 as part of the event. The printers were donated by Monti Inc., an industrial manufacturer located in the Bond Hill neighborhood of Cincinnati, Ohio.

The ToolBank hopes the printers will provide an affordable equipment option that will build the capacity of several organizations. "Each year, the ToolBank equips hundreds of local nonprofits with the tools they need to complete service projects," says Kat Pepmeyer, Executive Director of the Cincinnati ToolBank. "We are very excited to distribute yet another tool to our nonprofit partners. Having access to quality office equipment helps build the capacity of these organizations, especially smaller organizations that lack the funding to purchase them. Better tools, in this case printers, leads to the possibility of even more community projects taking place in Cincinnati."

The Cincinnati ToolBank will be welcoming member agencies for the "Printer Blitz" during set appointment times throughout the week. Proceeds raised will benefit the ToolBank's tool lending program. For more information about the "Printer Blitz," please visit cincinnatitoolbank.org/toolbank-printer-blitz/ or call 513-246-0015 to schedule an appointment.
